

Area: 607 m2

Sold by Graham Shelly and Nathan Lynham

This low-set home is in one of Townsville's most popular inner city suburbs, offering an affordable entry into Townsville's fast-moving real estate market.

Positioned on Boundary Street, with South Townsville across the road, the homes' low set design and block construction offer a point of difference to the normal style of homes in what is one of our oldest inner city suburbs.

With a traditional design featuring three bedrooms, functional kitchen, open plan living and dining with an additional carport at the rear, and set on 607 m2 allotment the home is suited to owner-occupiers and investors.

The home would require air-conditioning to maximise the? rental returns. (We estimate this as less than \$7000).
